**Website**
https://github.com/LysiukOleksandr
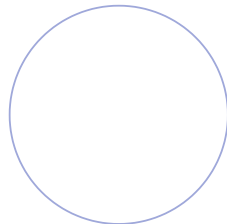

## Address

Zhytomyr, Ukraine

## Profile

I have solid knowledge of HTML5, CSS3 and JavaScript. I always strive to learn something new. I am looking for a company that wants to offer me a place among its developers. Instead, I offer a full return and will be a nice addition to your team. Goal: to reach the Middle level in the next year.

## Education

**Sumy State University**                                                                 2020 — 2022

Bachelor's degree, Computer Science

**Zhytomyr Agrotechnical College**                                          2016 — 2020

Junior Specialist, Computer Science
